

Welcome to Market Share Contracting and Licensing

We would like to make your contracting and appointment process with Market Share as easy as possible so you can concentrate on growing your business. We are setting up all agents on our eContracting system so we can obtain the paperwork electronically.

Our eContracting system is with SuranceBay which imports most of your information from the national database. Initially all we need from you is the following information and for you to sign the signature authorization attached:

Full Legal Name _____

SSN _____

Email _____

Birthday _____

Home Address _____

Mailing Address _____

We will verify if you have already been added to the SuranceBay database. If not, we will contact you for additional information.

Once we have added you to our database we will request contracting. For your added security you will receive an email to review and confirm the appointment request. Once confirmed I will get an email and will expedite the appointment paperwork to the carrier. I will notify you when you have been approved.

Subsequent Contracting Request

To get appointed with a carrier in the future all you need to do to is call me or send an email requesting appointment with a carrier to Karen Reece, Licensing & Contracting Specialist at kreece@marketsharefinancial.com. Then we will take care of the rest. Can't be much easier than that.

If you have any questions please feel free to contact:
